Give us a call today and let OUR SUCCESS be YOUR SUCCESS!

Welcome,

On behalf of the Board of Trustees for the Beta Gamma Lambda Education Foundation, Inc., I welcome you to the annual Black & Gold Scholarship Ball. We are delighted that you are here to celebrate this occasion and to support our fundraising efforts with Beta Gamma Lambda Chapter to procure scholarships for deserving young scholars. The world continues to reshape itself post pandemic and this organization is committed to evolving to serve the needs of its youth.

The mission of Alpha Phi Alpha: Alpha Phi Alpha Fraternity, Inc. is to develop leaders, promote brotherhood and academic excellence, while providing service and advocacy for our communities. "The chief significance of Alpha Phi Alpha lies in its purpose to stimulate, develop, and cement an intelligent, trained leadership in the unending fight for freedom, equality and fraternity. Our task is endless." Jewel Henry Arthur Callis, May 1946. "We must never lose sight of the fact that we must take part in the development, not only of ourselves but of all humanity..."

Our desires today show the Growth Mindset of the Beta Gamma Lambda Education Foundation, Inc. Officially, this year marks the 43rd Anniversary of the Beta Gamma Lambda Education Foundation which was incorporated in 1979. Our Growth Mindset shows that this long standing organization has been center focused on making the necessary adjustments for positive gains, come what may. Education is a pervasive component of every person on this earth. As times have changed, opportunities have improved to allow everyone access to improve the human condition.

My term as the chairman of the Beta Gamma Lambda Education Foundation has been fulfilling as I have seen numerous young scholars benefit from this scholarship, including my own sons and nephews. The Board has worked passionately and collaboratively in an effort to develop opportunities for young scholars who need assistance in successfully cultivating their dream. As visionary models of success and change agents, we have been through a gauntlet of challenges and still we remain diligent in our pursuit of educational excellence.

Again, I welcome and thank you for your willingness to be true supporters in the fight for educational excellence. It is my hope that you are inspired and motivated to be a blessing to leaders of tomorrow. For we are the gatekeepers to a tomorrow that we may never see and yet it is part of our destiny.

We present to you... **"An Alpha Renaissance"**.

Sincerely,

*Jeffery D. Jackson*

Jeffery D. Jackson, Chairman of the Board of Trustees  
Beta Gamma Lambda Education Foundation, Incorporated

P.O. Box 25777 Richmond, VA 23260

**ALPHA PHI ALPHA FRATERNITY, INC.**  
BETA GAMMA LAMBDA CHAPTER

*Greetings Brothers and Friends of Alpha Phi Alpha Fraternity, Inc.,*

It is with great pleasure that I welcome you to the 147th House of Alpha known as Capacity Alphas of Richmond, VA. I am Michael Walker, and I have the honor of serving as the President of the exceptional Beta Gamma Lambda Chapter of Alpha Phi Alpha Fraternity, Inc. As we are 88 years young, we are a chapter committed to Manly Deeds, Scholarship, and Love for All Mankind. As one of the largest Richmond VA Area chapters. We hope that you find our honest devotion to serving our community.

Alpha Phi Alpha Fraternity, Inc. was founded on December 4, 1906 at Cornell University by Seven courageous, visionary, tenacious, and esteemed college men. These seven scholars are known within our Fraternity as the Jewels of our Fraternity. Since our origin, Alpha Men have long recognized that there is a wealth of satisfaction for giving our all and helping the community.

In my vision, I believe in creating bonds of fellowship between ourselves and our families first then our advocacy and influence will grow. So, together we can have a greater impact and effect greater change.

To our friends of this chapter and our beloved fraternity, we invite you to come to our events, meet our members, and engage in our fellowship. So welcome to our house. As we say in Alpha, we are the eminent expression of friendship.

*Michael Walker*

**FIRST OF ALL, SERVANTS OF ALL, WE SHALL TRANSCEND ALL.**

**ALPHA PHI ALPHA FRATERNITY, INC.**  
BETA GAMMA LAMBDA CHAPTER

"First in point of historic origin, Alpha Phi Alpha has striven to make itself in all worthy causes. It has ever sought to make a point of its membership those who rank first in scholarship, in school activities, and in possibilities. For this reason, Alpha Phi Alpha is gradually becoming dynamic force in the life of all worthwhile colleges, and a binding force in the efforts of those who are fast assuming leadership in the world's work". Chapter VIII of The History of Alpha Phi Alpha A Development In College Life.

To Our Esteemed Brothers of Alpha Phi Alpha Fraternity Inc., Alpha Wives, and Guests,

It is with esteem pleasure that I welcome you all and welcome you back to our Annual Black and Gold Ball here in Richmond, Virginia.

As we continuously move forward during these challenging and historic times, our theme "**An Alpha Renaissance**", reflects our **Chapter's and Education Foundation's Leaderships** from under Brother President Michael Walker and our Beta Gamma Lambda Education Foundation Chairman Brother Jeffery D. Jackson. This joint venture shall and will continue to exemplify "**Manly Deeds, Scholarship, and Love for All Mankind**" throughout the City of Richmond. I want to thank God for whom all Blessings Flow! I also want to thank my family-lovely Alpha and AKA Wife Angela W. Moss and our son John Alexander Moss-for all of their Love, Support and Encouragement.

I want to thank the BGA Special Projects/Black and Gold Ball Committee, The Beta Gamma Lambda Education Foundation (BGLEF) and most definitely BGA. We have faced many challenges this particular year...**Life, Death and the Pursuit of Happiness!** I appreciate all of you and Thank you very much!

Finally, I would like to thank Mrs. MaryBeth Bunge and the Omni Hotel Downtown Richmond for allowing us to have our Scholarship Ball in this venue once again. I would like to thank everyone for their overwhelming support and attending our Annual Black and Gold Ball. God Bless Everyone!!

Fraternally and sincerely yours,

*Tony T. Moss*

# INCLUDE. EMPOWER. THRIVE.

At Ogletree Deakins, we foster an inclusive workplace where our attorneys and staff feel empowered to bring their whole selves to work. Like the great men of Alpha Phi Alpha Fraternity, Inc., we continue to build a culture that supports and celebrates diverse voices. In our firm, these diverse voices strengthen our capacity to provide innovative approaches to our clients' needs. We value Inclusion, We promote Empowerment and we ensure that our attorneys and staff Thrive!

We extend our warmest CONGRATULATIONS to the great men of the Beta Gamma Lambda Chapter of Alpha Phi Alpha Fraternity, Incorporated, as you continue to impact your community by providing scholarships and mentoring support- indeed "An Alpha Renaissance"! We appreciate that Black fraternities and sororities have stood at the forefront of every major civil rights movement and black achievement for more than a century. Thank You for your great service to our communities and mankind!!

# The CapCity Alphas

Beta Gamma Lambda (BGL) was chartered May 4, 1935 in Richmond, Virginia with approximately thirty-two Charter Brothers that include six (6) officers and twenty-six (26) members in that beginning year. Beta Gamma Lambda grew out of Gamma Chapter (the Third, Oldest House of Alpha) at Virginia Union University.

During that period in the early 1930's, Brother Thomas W. Henderson was Eastern Region Vice-President. Brother Thomas W. Henderson was also a Past President of Virginia Union University and the Henderson Center was named after him in his honor. Then, as is the case now, they were college educated men from a diverse economic status, disciplines, geographical regions, and political persuasions. We are educators, administrators, lawyers, judges, social scientists, scientists, engineers, politicians, clergymen, bankers, etc.

BGL flourished in the 1950's, especially with BGL having Past Eastern Region Vice-President Brother J. Rupert Picott (1954-1957) in their membership. In the 1960s and 1970s, BGL was among the top 10 chapters within Alphadom, especially with the largest number of Life Members within the Fraternity.

In the 1980s, BGL was extremely blessed to have various Brothers within VACAPAF (Virginia Association of Chapters of Alpha Phi Alpha Fraternity, Incorporated) to be Presidents and District VII Directors of VACAPAF namely Brothers C.E. Pennington and Dr. George H. Johnson, Jr., respectively. Both had served BGL and VACAPAF extremely well and are still watching over us in spirit from Omega Chapter.

As far as the National Pan-Hellenic Council of Metropolitan Richmond (NPHCMR), BGL was blessed to have two NPHCMR Presidents in their ranks. Brother James E. Cole was the first Brother from BGL to serve as NPHCMR President from 1970-1971, and thirty-eight years later Brother Tony T. Moss served as the second Brother from BGL to serve as NPHCMR President from 2007-2009.

## Advocating for our Communities

There are many past and present brothers in BGL that have distinguished themselves, and hence forged Milestones that laid the groundwork to advance our committees and nation. Over several decades, BGL has sponsored the development of many socially conscious endeavors including Annual Student Scholarships, youth educational/leadership programs, A Hopeless People Is A Voteless People/Voter Registration Drives, Project Alpha, Mentoring programs, "Go-to-High School, Go-to-College", Young Achievers Program, Brothers Keepers Program, Social events, and various community projects.

# 2022 - 2023 LEADERSHIP DEVELOPMENT CIVILIZATION INSTITUTE (LDI)

Alpha Phi Alpha Fraternity, Incorporated-Beta Gamma Lambda Chapter and the Beta Gamma Lambda Education Foundation (formerly Beta Gamma Lambda Scholarship Foundation) have sponsored the Beta Gamma Lambda Leadership Development Citizenship Institute. The Institute invites selected High School Senior Men from the Richmond Public School System (and surrounding areas) to participate in a series of workshops designed to develop responsible school and community citizens.

The Institute focuses on assisting the young men in identifying and developing their leadership skills, in learning how to conduct an effective meeting, being able to use Parliamentary Procedures/Parliamentary Authority in finding ways to resolve conflict/Conflict Resolution, exploring mental health issues and learning of lesser known contributors to Black History. Various Representatives explain the College Application Process, the Financial Aid Process, and Investments/Financial Securities to our High School Seniors. The young men also participate in Project Alpha (our National Partner Program with the March of Dimes March for Babies). The participant also have the opportunity to develop bonds with our Mentors and with each other.

## LEADERSHIP

The Richmond, VA Young Achievers program under the leadership of Dr. Jacquelyn S. Joyner was initiated in September 2007. The program was implemented by Commonwealth (VA) Chapter of The Links, Incorporated and Beta Gamma Lambda Chapter of Alpha Phi Alpha Fraternity, Incorporated. It is modeled after a similar program developed in 1998 by the Metro-Manhattan (NY) Chapter of the Links, Incorporated and the Alpha Gamma Lambda Chapter of Alpha Phi Alpha Fraternity, Incorporated. The goal of the program is to address the needs of primarily African-American males, to reverse the trends of low employment, high school dropout rates, and lack of opportunities. Additionally, the program will help participants to become productive, contributing citizens, now and in years to come. The ultimate aim of the program is to help participants make positive transitions from high school, to college and beyond.

The Young Achievers program is designed to reach young men from a variety of high schools.

The program coincides with the school calendar year (September to June). Sessions are held twice monthly, on designated Saturdays. With the exception of field trips, all sessions are held on the campus of Virginia Union University or virtually. Sessions are focused on education, culture, social and physical “hands-on” engaging activities and community service.

STEAM (Science, Technology, Engineering, Art and Mathematics), activities are provided under the education component.

Cultural, physical, social and career activities are focused on attendance at cultural events. Social and soft skills developmental activities and physical activities are designed to keep the body healthy.

Students who fully participate in and complete the program are eligible for awards and prizes.

**BGL LEADERSHIP**

**MS. Reba Hollinsworth**

Reba Hollingsworth is a 4-time Emmy award winning TV News journalist. In her 25-plus year career in the television news industry, Reba has covered stories from the local courthouse to the White House. Reba's long TV career has led her down the path of entrepreneurship. She's the creator of the AHA Wrap and TRI V3RSA bag. Two stylish products with the purpose of making the lives of people easier. Reba can also add co-author to her impressive career. In the book, 'Lipstick and Legacies', Reba details her journey as a news anchor and entrepreneur while enduring life's ups and downs.

Reba was born and raised in Texas. She graduated with a degree in broadcast journalism from Southwest Texas State University (currently known as Texas State

University) in San Marcos. Reba began her TV news career in the small Texas town of Victoria at KAVU-TV. Nine months later, Reba became weekend anchor at KTXS-TV in Abilene and was quickly promoted to main anchor. Five years later, Reba accepted a morning reporter position at WTVR-TV in Richmond, Virginia. Again, she was promoted quickly to morning anchor. After five years in Richmond, Reba became a freelance reporter in the DC area working for FOX 5 in DC, WBAL in Baltimore, Hearst DC bureau, and CNN Newsource.

In 2009, Reba returned to the highly rated morning show at WTVR-TV and received four regional Emmy awards for the morning newscasts. She's also received distinguished awards for her breast cancer awareness stories. Reba brought her skills and knowledge to the classroom as an adjunct professor teaching broadcast writing at Virginia Commonwealth University. Beyond her TV job, Reba is deeply invested and involved in the community she serves.

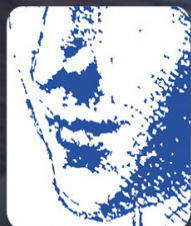

Reba stepped out on faith and pursued her entrepreneurial dreams. In 2018, she created the AHA Wrap for television news women. The stylish leg wrap holds the wireless microphone for women wearing a dress. The AHA Wrap is sold across the nation from the website and Amazon. Three years later, Reba channeled TV women again by creating the TRI V3RSA bag. However, the convertible bag goes beyond women in TV. It's the 3-in1 bag for your life.

Reba stays busy as a journalist and entrepreneur, but the center of her world is her daughter, Jillian. Reba is a member of The Metropolitan Business League, National Association of Black Journalists and Alpha Kappa Alpha Sorority, Incorporated.
